Augie,

I spoke with the Santa Barbara trolley folks and they will get back to be by Friday. I also had a conversation with Jonathan about frequency, etc.

The attached photos is another option if the trolleys aren't feasible. We can have the vehicles wrapped like trolleys.

More info to follow soon.

Best regards,

Lorena

It was great talking to you, I think we can figure out something that will work for you.

Per our conversation I have attached a picture and a .pdf file. The .pdf file shows different designs and the picture is one of the vehicles we use for the Golden Gate Park Shuttle.

I am also sending you a bigger bus to look at.

Let me know what you decide and then I can help get you some pricing.
